#6. Tell Your Story - I've been looking forward all day for this moment...today was finally the day I could go home from school. Even though it's still early, I get up and can't wait to walk out the door. I am so dressed up in my new clothes, my hair is done up all nice, and I look like I'm ready to go. Now that I'm here, I don't know what to do. The clock on the wall shows it's almost five o'clock and that means my mom is probably getting worried! #7. My Perfect Day - You can tell I'm very excited because I keep crossing my legs. First of all, the best part would be when I wake up in the morning. I have a really funny alarm clock. Whenever you touch it, it shakes and you have to catch whatever comes out of it before it hits the floor. It's a surprise each time so there's no way to guess or figure out what will come out. One time it was a Banana, another time a little rubber ball, and once even a note from one of my best friends! #8. I Love this Summer! - I am sitting on top of the world. I love summer. I love the beach, swimming, and tanning in the sun. My dad takes me to the beach every year when he can because he knows my favorite things are swimming, surfing, and watching me in the sun! #9. Winter is Coming - We are all very excited this year for winter to come after all that warm weather we had in June... but we should be careful. One day I was walking in a local park and came across a frog that had been frozen to the ground. It turns out that the poor frog had been frozen, and when I tried to help it move, it just broke into pieces! #10. Beauty is in the Eye of the Beholder - The most beautiful girl in school is Kendall Jones. She has gorgeous blond hair and blue eyes. Every girl wants to look like her, but something is wrong with Kendall...she has a secret! If you look at her from this angle...You can clearly see her third eye! #11.
