English,French,German,Russian

Have fun typing in the name of the artist and album yourself, then the name of each single song, then putting them in order. Then finding an album cover if you want one. What kind of lazy idiot decided that this was ready to be sold?. So I bought the game and wanted to listen to the soundtrack while I played. It says I bought the soundtrack but I cant find it plz halp.... lmao what idiot would actually pay for this ahahah
